## BUSINESSMODEL

New game programmed with the corporate identity of the customer

Specific time range on 3D-Sport.com with all available features like:

- Use of all web servers and complete backend programming
- Detailed statistics and GMS (game management system)
- User database and email addresses
- Account administration, PayPal and Mobile Phone billing for start fee
- Tournament System

The client also receives a "link" for his own WebPages. All played games on different websites will be linked into one highscore/data base.

Registration on 3D-Sport with "nickname", "e-mail" and "address" is required.

The winner will receive a prize that is provided by the sponsor, a grand prize for the winner and smaller prizes for places 2-10.

The user pays a small "start fee" 1-5 Euros, depending on the value of the main prize.

The revenue of the start fee will be split "50/50" between the customer and 3D-sport GmbH.

Example: Game is 4 weeks online. 14.000 users are playing the game during the tournament; this will result in an intake of about 20,000 Euro.

Share of income: The customer will receive 10,000 Euros and the 3D-Sport GmbH 10,000.
